Dear Miss Williamson:

Thank you for your order for two copies of Songs. They will be sent you in about three weeks - as soon as received from the printers; and I am sure you will find the book a real joy.

The first edition is nearly all subscribed already, and I shall no doubt have to put on a second edition before the first is distributed.

I have very pleasant memories of your mother and you girls, and am glad to hear from you always.

Always your Friend,

CEL/R

Mr. Charles F. Lemnis,

My dear Friend,

I am enclosing order
for two copies of "Spanish
Songs of Old California".
I am delighted that you
are putting these into print
and shall be glad to
tell my friends of the
book. I hope that you
may find such a ready
sale for the first book
of songs that you will
see fit to publish all
your songs.

I recall being at your
house with mother and
sister when the records
of some of these songs were
being made. We recall
with pleasure the many
happy hours spent in
your home with our
dear mother who always
enjoyed you so much.

With best wishes from

Your Sincere Friend,

Lillian A. Williamson
